Magazines

Please help keep the waiting areas supplied with magazines and books. They are read all the time and taken home to finish. Please bring them to the mailroom to be distributed.

Gift Shop

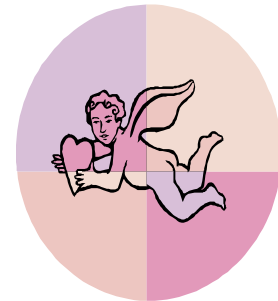

A clerk is needed for the Tuesday afternoon shift, 3 to 6. Please consider helping at this time. Call Jane Stevens at 738-4488 if you can help.

Valentine gifts and goodies are on the shelves. Come in and check them out for your Valentine presents to loved ones.

Nursing Scholarships

The recipients of the eight \$1000 nursing scholarships were very excited to receive this money. A picture for the paper will be taken soon to let everyone know how the "Tree of Life" money is used.

CARE Closet

We received a couple dozen white stuffed bears from Nora Hatfield at Shear Perfection for the CARE Closet. "Thanks" to Pat Nelson for getting these and to Nora for the donation.

HELP!

Pat Tempel (738-2726) is missing the Gift Shop financial reports for January, April, June and September of 2003. If you have a copy of these please call her.
