Life Advice

January 12th - Auxiliary Meeting

on Thursday, Jan.
12th at 9: a.m. in the
NNRH classroom.

From a female surgeon

“I was in the middle of a surgery with the most talented surgeon, John Ryan Jr. and he decided I wasn’t giving it my best effort. He barked at me, “Hey! You’re doing one thing now.

One..thing! So do it right! I never forget that advice. You’re doing one thing now--living your life. Live it right: Wear sunscreen. Never smoke. Get enough sleep. Exercise four times a week. Always be kind. Never lie. Laugh often. Don’t tolerate less than you deserve. Let grudges go. Dream big. Remember that **love** matter most. Call your mom.”

WOW !!!

What lovely cookies were furnished at the December meeting to give to all hospital departments.

They were beautiful and appreciated by the employees.

**Thank You One
And All**

Thank You NNRH

The lovely Christmas party at the Convention Center was wonderful.

The food was so.....delicious.
“Thanks” also for the beautiful blue scarf !!!

Sugar Bush Sale

Come in and see all the Christmas items and gifts that are on sale! Some lovely new things are also on display. Remember the “Sugar Bush” when you are shopping for gifts.

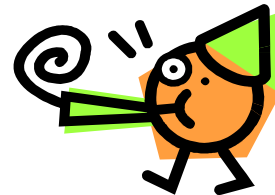

Help is still needed to keep the shop open more hours. Hospital visitors and employees need gifts or flowers for their loved ones at all hours.

Bonnets

PLEASE HELP

Stitch bonnets for OB. A supply of hankies and ribbon kits are in the gift shop office. They are needed all the time for the new babies.

Pick a kit up soon.
