#####

Shower Caps

Bring shower caps to the 2nd floor desk. They keep a collection of them to give to patients who request them.

There is no easy or quick path to happiness, there is no single spot where you can start. Where you are right now is the best place to begin.

Book Fair

The book fair appeared to be a success if all the people looking at the items for sale purchased something. There were some lovely books and gifts available at this event. Hope you all attended it and supported the auxiliary.

Sugar Bush

Come in and see all the new spring and summer items. Some lovely new things are on display.

Help is still needed to keep the shop open more hours for hospital visitors who need gifts or flowers for their loved ones.

Helping Hands

The front desk needs help. Come in when you have an hour or 2 to volunteer. It is best to schedule a definite time to be there but she can use help anytime you're available.
